## Retail and Consumer Information

Many consumers use the Internet to research prices, product ratings, and product specifications (e.g., dimensions, weight, horsepower, capacity, speed, average lifespan, and so on.) Although much of this information can be found on websites of individual product manufacturers or vendors, the sites below may provide data consumer ratings, prices, or fair market value.

Better Business Bureau Reviews: <http://www.bbb.org/us/Find-Business-Reviews/>

Consumer Product Research Reports: <http://www.consumersearch.com/alphaindex>

Consumer Report Ratings (subscription service): <http://www.consumerreports.org/cro/index.htm>

J. D. Power Consumer Product Ratings: <http://www.jdpower.com/>

Kelley Blue Book: <http://www.kbb.com/>

In addition, major online retailers such as Amazon (<http://www.amazon.com>) have product specifications and customer reviews of many products.
