

University of North Georgia
College of Science and Mathematics
Mathematics Department
Mathematics 1113, Pre-Calculus CRN 10545

Meeting Time: 17:30 –18:45 (8:00 – 8:50 am) MWF **Room:** Oc. Class 320
Semester: Fall 2015 (August 17 – December 11)
Instructor: Berhanu Kidane
Office: Room 311B (Oconee)
Office Phone: (706) 310 – 6363
E-Mail: berhanu.Kidane@ung.edu

Office Hours: MW **11:00 – 12:30 pm**
TR **12:00 – 01:30 pm**
Fri **12:00 – 02:00 pm:** Room 320 (Math Gym)

Important Dates:

1. Course changes and late registration: Drop/Add: August 17 – 21
2. Full Session withdrawal Monday October 12
Dropping a course after this date means an automatic "WF" unless the Dean gives specific approval. Prior to this date, a "W" will be awarded.
3. Holiday, Monday September 7 (no Class Labor Day):
4. Fall Break Monday Nov 23 - 27(no classes)
5. Class end: Friday, Dec 04; Final Exams (Dec 07 - 11)
6. **Final Exam: (Friday Dec 11, From 8:00 – 10:00)**

Text and Other Materials:

1. **Required Text:** Free E-Books see shared class files Folder learning resources
 - Precal. Stitz & Zeager (**Book 1**)
 - **Trig. book by Michael Correl (Book 2)**
2. **Supplementary Materials**
 - Algebra and Trigonometry, Stewart, Redlin and Watson, 3rd Ed. (Chapter 5, Chapter 6, Chapter 7, Chapter 8, Chapter 9 : Sections 9.3, 9.4)
 - **Free online resource links**
 - <http://archives.math.utk.edu/visual.calculus/>
 - <http://www.ltcconline.net/greenl/java/index.html>
 - <http://en.wikibooks.org/wiki/Trigonometry>
 - Animation Lessons: <http://flashytrig.com/intro/teacherintro.htm>
 - <http://www.sosmath.com/trig/trig.html>
3. **Technology Resources**
 - Desmos Graphic Calculator at <https://www.desmos.com/calculator>
 - Graphing calculator, Calculator-Based Laboratory (CBL), Calculator-Based Ranger (CBR)
4. **Web-based Resources**
 - Khan academy at: <http://www.khanacademy.org>
 - **Google** at: <http://www.google.com> Google any topic (**For example:** Google Square root of 2 or pi or any topic)
 - You tube at: <http://www.youtube.com> (**For example:** write “linear equations” in the YouTube.com browser bar)
5. **Course Description:** A course providing an intensive study on transcendental functions and their applications, which are fundamental to the study of Calculus, Physics, and related technical subjects. Emphasis is placed on exponential and logarithmic functions, trigonometric and inverse trigonometric functions, trigonometric identities and equations, right and oblique triangles, trigonometric form of complex numbers, parametric equations, and some algebraic calculus expressions. **Credit:** 3 hours. **Co-requisite:** Math 0099. **Prerequisite:** SAT Math score of 550 or higher, or ACT Math score of 23 or higher, or MATH 1111 with a grade of C or higher, or advanced placement.

6. **Course Objectives:** After completion of the course the student will be able to:
- Apply a variety of problem-solving strategies including algebraic, numerical, and graphical techniques to solve exponential, logarithmic, and trigonometric equations;
 - Apply the properties of exponents and logarithms;
 - Apply knowledge of vertical and horizontal asymptotes to curve sketching;
 - Apply trigonometric ratios and Pythagorean, double, half-angle, sum, difference, and co-function identities;
 - Apply properties of geometric transformations to analyze the graphs of functions;
 - Apply the Law of Sine's and the Law of Cosine's to solve for the unknown sides or angles of a triangle;
 - Find powers and roots of complex numbers;
 - Evaluate inverse trigonometric functions graphically, numerically, and algebraically; and
 - Apply parametric equations and sketch their graphs.
7. **General outline for course coverage** based on the 50 minute class duration
1. Exponential and logarithmic functions (8 days)
 2. Trigonometric functions and applications to right triangles (10 days)
 3. Trigonometric identities and equations (10 days)
 4. Oblique triangles (3 days)
 5. Complex numbers and De Moivre's Theorem (3 days)
 6. Parametric Equations (2 days)

8. COURSE CONTENTS AND COVERAGE

Chapter 0. Real Numbers; Graphs and Functions	Weeks	
• The Real Number System		
• Review on Functions and Their Graph	1	
• One-to-One Functions; Inverse Functions	1	
Chapter 6. Exponential and Logarithmic Functions (P. 417 – 490)		
6.1. – 6.3. Exponential Function		
6.2. – 6.4. logarithmic Functions and Laws		
Chapter 10. Trigonometric Functions: Right Triangle		
Angles and Their Measure		
Trigonometry of Right Triangles		
Trigonometric Functions of Angles		
The Right Triangle and Its Applications (Book1)		
The Laws of Sines and Cosines		
10.2. Trigonometric Functions: Unit Circle		
Trigonometric functions of Angles		
The Unit circle		
Trigonometric Identities (Book 2 Chap 3)		
Trigonometric and inverse trig function Graphs		
Inverse Trigonometric functions		
Trigonometric Equations (Book 2 page 129)		
Chapter 11... Polar Coordinates and Parametric Equations		
Polar Coordinates		
Graphs of polar Equations		
Polar Form of Complex Numbers; De Moivre's Theorem		
Plane curve and Parametric Equations		

9. METHODS

- i. **Methods of Instruction:** The methods of instruction are determined by the instructor; however, the instructor is encouraged to use a variety of methods. These methods may include, but are not limited to lecture; problem-solving sessions with informal assessment by the student or instructor; discussion; group projects; timely feedback from test, quiz, or project results (formative assessment); question and answer; computer or calculator based explorations; and student presentations. Students will be encouraged to assess and monitor their own problem-solving process to determine when an error has been made or a new strategy should be used.
- ii. **Evaluation Methods:** Formative assessment will be in the form of written tests and/or short quizzes and summative assessment will be in the form of a final examination. Special projects and daily grades may be used at the discretion of the instructor. Final grades are determined by the percentage as follows:
90 – 100 = A, 80 - 89 = B, 70 – 79 = C, 60 – 69 = D and below 60 = F. (Although a grade of "D" is passing, you must have a "C" or better in MATH 1111 to take any course for which MATH 1111 is a prerequisite.)

10. OTHERS:

- **Tests and other assignments:** In class or Take-Home Quizzes (Homework), Four Exams/Tests (of the Four one with the least grade will be dropped)
- **Final:** The final is comprehensive, covers everything discussed during the semester
- **Make-up Information:** Generally Make-ups are not allowed for missed Tests; however, if a student provides an acceptable authorized documentation for the absence, the student might be allowed to make up for the missed work. No make-up for homework and no make ups for missed classes.
- **Attendance Policy:** The attendance policy is concurrent with UNG's attendance policy. Attendance will be taken each class.
- **Student Grade Calculator:** An excel spread sheet **student grade calculate** will be posted in the **shared class files**. Students are responsible for calculating their up to date grades using the grade calculator.

Final grades will be determined as follows:

Homework and Quiz:	25 pts.	
Exam One:	15 pts.	(September 9)
Exam Two:	15 pts.	(September 30)
Exam Three:	15pts.	(October 28)
Exam Four:	15 pts.	(November 18)
Final Exam:	30 pts.	(Friday Dec 11, From 8:00 – 10:00)
Total:	100	

Additional Supplementary Materials

SPECIFIC DETAILS OF THIS SYLLABUS MAY BE SUBJECT TO CHANGE

Students are expected to refer to the Supplemental Syllabus for the following information: (Include the link TBD) (Last Revised April 2013)

Supplemental Syllabus (will be posted online). Here is the link for the Supplemental Syllabus: <http://ung.edu/academic-affairs/policies-and-guidelines/supplemental-syllabus.php>

1. Academic Exchange
2. Academic Integrity Policy
3. Academic Success Plan Program
4. Class Evaluations
5. Course Grades and Withdrawal Process
6. Disruptive Behavior Policy
7. Inclement Weather
8. Smoking Policy
9. Students with Disabilities

ACADEMIC SUCCESS PLAN PROGRAM

UNG has implemented an Academic Success Plan Program to identify and provide assistance to at-risk students. Refer you to your campus Academic Advising Center for the development of strategies that will enhance your academic success. You will be expected to take advantage of advising and other campus resources to achieve your academic goals.

STUDENTS WITH DISABILITIES

University of North Georgia is committed to equal access to its programs, services, and activities, and welcomes otherwise qualified students with disabilities. Students who require accommodations and services must register with Disability Services and submit supporting documentation. Disability Services provides accommodation memos for eligible students to give to their instructors. Students are responsible for making arrangements with instructors, and must give reasonable prior notice of the need for accommodation.

Contact Information for Disability Services:

- **Gainesville Campus:** Carolyn Swindle, Assistant Director, carolyn.swindle@ung.edu, Dunlap-Mathis Building, Room 107, 678-717-3855
- **Dahlonega Campus:** Thomas McCoy, Assistant Director, thomas.mccoy@ung.edu, Stewart Student Success Center, Room 313, 706-867-2782.
- **Oconee Campus:** Erin Williams, Assistant Director, erin.williams@ung.edu, Administration Building, Room 112, 706-310-6202.
- **Cumming Instructional Site:** Nicola Dovey, Director nicola.dovey@ung.edu or Beth Bellamy, Test Facilitator, beth.bellamy@ung.edu 678-717-3855. (For on-site assistance, contact Rebecca Rose, Head Librarian, rebecca.rose@ung.edu, Library University Center 400, 470239-3119.

ACADEMIC INTEGRITY POLICY

Student Code of Conduct: Please review the Student Code of Conduct found here: <http://ung.edu/student-affairs/student-code-of-conduct.php>

Plagiarism and Turnitin.com: Students agree that by taking this course all required papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the Terms and Conditions of Use posted on the Turnitin.com site.

Copyright: Both Federal and State laws forbid the unlawful duplication of copyrighted computer software or other reproductions of copyrighted material. In accordance with these policies, University of North Georgia expressly forbids the copying of such materials supplied by or used in the College. Unlawful duplication of copyrighted materials by a user may result in disciplinary action by the College under the Student Code of Conduct (Non-Academic Infractions--Prohibitions, Theft), and/or possible criminal action by the owner of the copyright.

DISRUPTIVE BEHAVIOR POLICY

Students who exhibit behaviors that are considered to obstruct or disrupt the class or its learning activities are subject to sanctions under the Board of Regents Policy on Disruptive Behavior. Behaviors which may be considered to be inappropriate in this classroom includes, but is not limited to, sleeping, coming in late, talking out of turn, inappropriate use of laptops or mobile devices, verbal behavior that is disrespectful of other students or the faculty member, or other behaviors that may be disruptive. Students who exhibit such behavior may be temporarily dismissed from the class by the instructor and will be subject to disciplinary procedures outlined in the Student Handbook.

CLASS EVALUATIONS

Class evaluations at UNG are conducted online. Evaluation of the class is considered a component of the course and students will not be permitted to access their course grade until the evaluation has been completed. The evaluations will be accessible beginning one week prior to Final Exam week.

ACADEMIC EXCHANGE

Universities welcome diversity, free speech and the free exchange of ideas. Discussion should be held in an environment characterized by openness, tolerance of differences and civility. The values of an intellectual community are trust, honesty, free inquiry, open debate, respect for diversity, and respect for others' convictions. Further, the intellectual community always seeks to foster the virtues and characteristics of intelligence, curiosity, discipline, creativity, integrity, clear expression, and the desire to learn from others. It is these that must guide our work and exchanges in this class. These principles are delineated further in the [ACE Statement on Academic Rights and Responsibilities](#).

If these values and principles are breached, students have the right and responsibility to discuss their concerns with the course instructor and, as needed, the department head. Usually, the concerns are addressed at this level, but sometimes the department head may refer students to another resource. In the event that either the student or the instructor is not satisfied after discussion with each other, he/she may take his/her concerns in writing to the Associate Provost for Academic Administration.

INCLEMENT WEATHER

TV and radio stations will announce if the college is closed. Information on closing will also be available on our Web site <http://www.ung.edu>. Students, faculty and staff who have registered under Blackboard Connect Emergency Notification System will receive information not only about college and individual campus closures but also about the status of college and campus hours, including late openings.

Blackboard Connect Emergency Notification System

Emergency situations - from natural disasters to health scares to the threats of violence - require that our campus community be fully prepared and informed. Accordingly, University of North Georgia has implemented the Blackboard Connect service to enhance university communication and emergency preparedness. The Blackboard Connect system is a communication service that enables key administrators and Public Safety personnel to quickly provide all students, faculty, and staff with personalized voice and text messages.

All UNG emails are added into the system automatically. In addition, you may enter a phone number so that emergency announcements can be sent to you via voice and text message. To do this, go to our Banner self-service environment; click on the tab labeled "Personal Information"; then, click on the tab named "Enter Emergency Contacts for Blackboard Connect." Here you can update your information for the Blackboard system.

If you have questions, please contact Public Safety at 706-864-1500 or send an e-mail to emeralert@ung.edu.

COURSE GRADES AND WITHDRAWAL PROCESS

Grades: A, B, C, D, F, W, WF, MW – Should this date be listed at the end of this section?

I (Incomplete) - This grade indicates that a student was doing satisfactory work but, for non-academic reasons beyond her/his control, was unable to meet the full requirements of the course. For undergraduate programs, if an **I** is not satisfactorily removed after one semester (excluding summer), the symbol of **I** will be changed to the grade of **F** by the appropriate official. For graduate programs, if an **I** is not satisfactorily removed after two semesters (excluding summer), the symbol of **I** will be changed to the grade of **F** by the appropriate official. Under special circumstances, this period of time can be increased with the approval of the department head and the dean.

IP (In Progress) - This grade is appropriate for thesis hours, project courses, Learning Support and English as a Second Language (**ESL**) courses. It is not appropriate for traditional credit courses. If an **IP** grade isn't satisfactorily removed after 3 semesters, the symbol of **IP** will be changed to the grade of **F** by the appropriate official. Under special circumstances, this period of time can be increased with the approval of the dean. However, students who receive a grade of **IP** in a learning support course or an **ESL** will retain this grade due to the nature of the course.

K – This symbol indicates that a student was given credit for the course via a credit by examination program.

MW – Withdrawal for military exigencies.

CR – Credit (for Military experience).

NR – This symbol indicates that the grade was not reported by the instructor.

S – This symbol indicates that a student completed the course with satisfactory work.

U – This symbol indicates that a student did not complete the course with satisfactory work.

V – This symbol indicates that a student was given permission to audit the course. Students may not transfer from audit to credit status or vice versa. If an audit student withdraws from a course prior to the end of the term, a "**W**" will be assigned as the grade rather than a grade of "**V**". An audit student who is dropped by the instructor for excessive absences will be assigned a grade of "**W**".

W or WF – A **W** grade indicates that a student was permitted to withdraw from without academic penalty. Students may withdraw from courses prior to the midterm and receive a grade of **W**. Withdrawals without penalty will not be permitted after the midpoint of the total grading period except in cases of hardship as determined by the appropriate official. If a student withdraws before the deadline, the grade of **W** will be given. The grade of **WF** is for students who withdraw after the deadline for the term or commit academic integrity violations.
