I understand that I must be in good standing in order to participate and remain in a study abroad program. To this end, I give permission to the Center for Global Engagement at NGCSU to check my academic, disciplinary, criminal, and mental health records to confirm my eligibility for participation at any time prior to the departure of or during my program. Further, I understand that dismissal from a program because of failure to meet the good standing requirement may result in the loss of all monies paid for participation in my chosen study abroad program.
